# ABOUT US

---

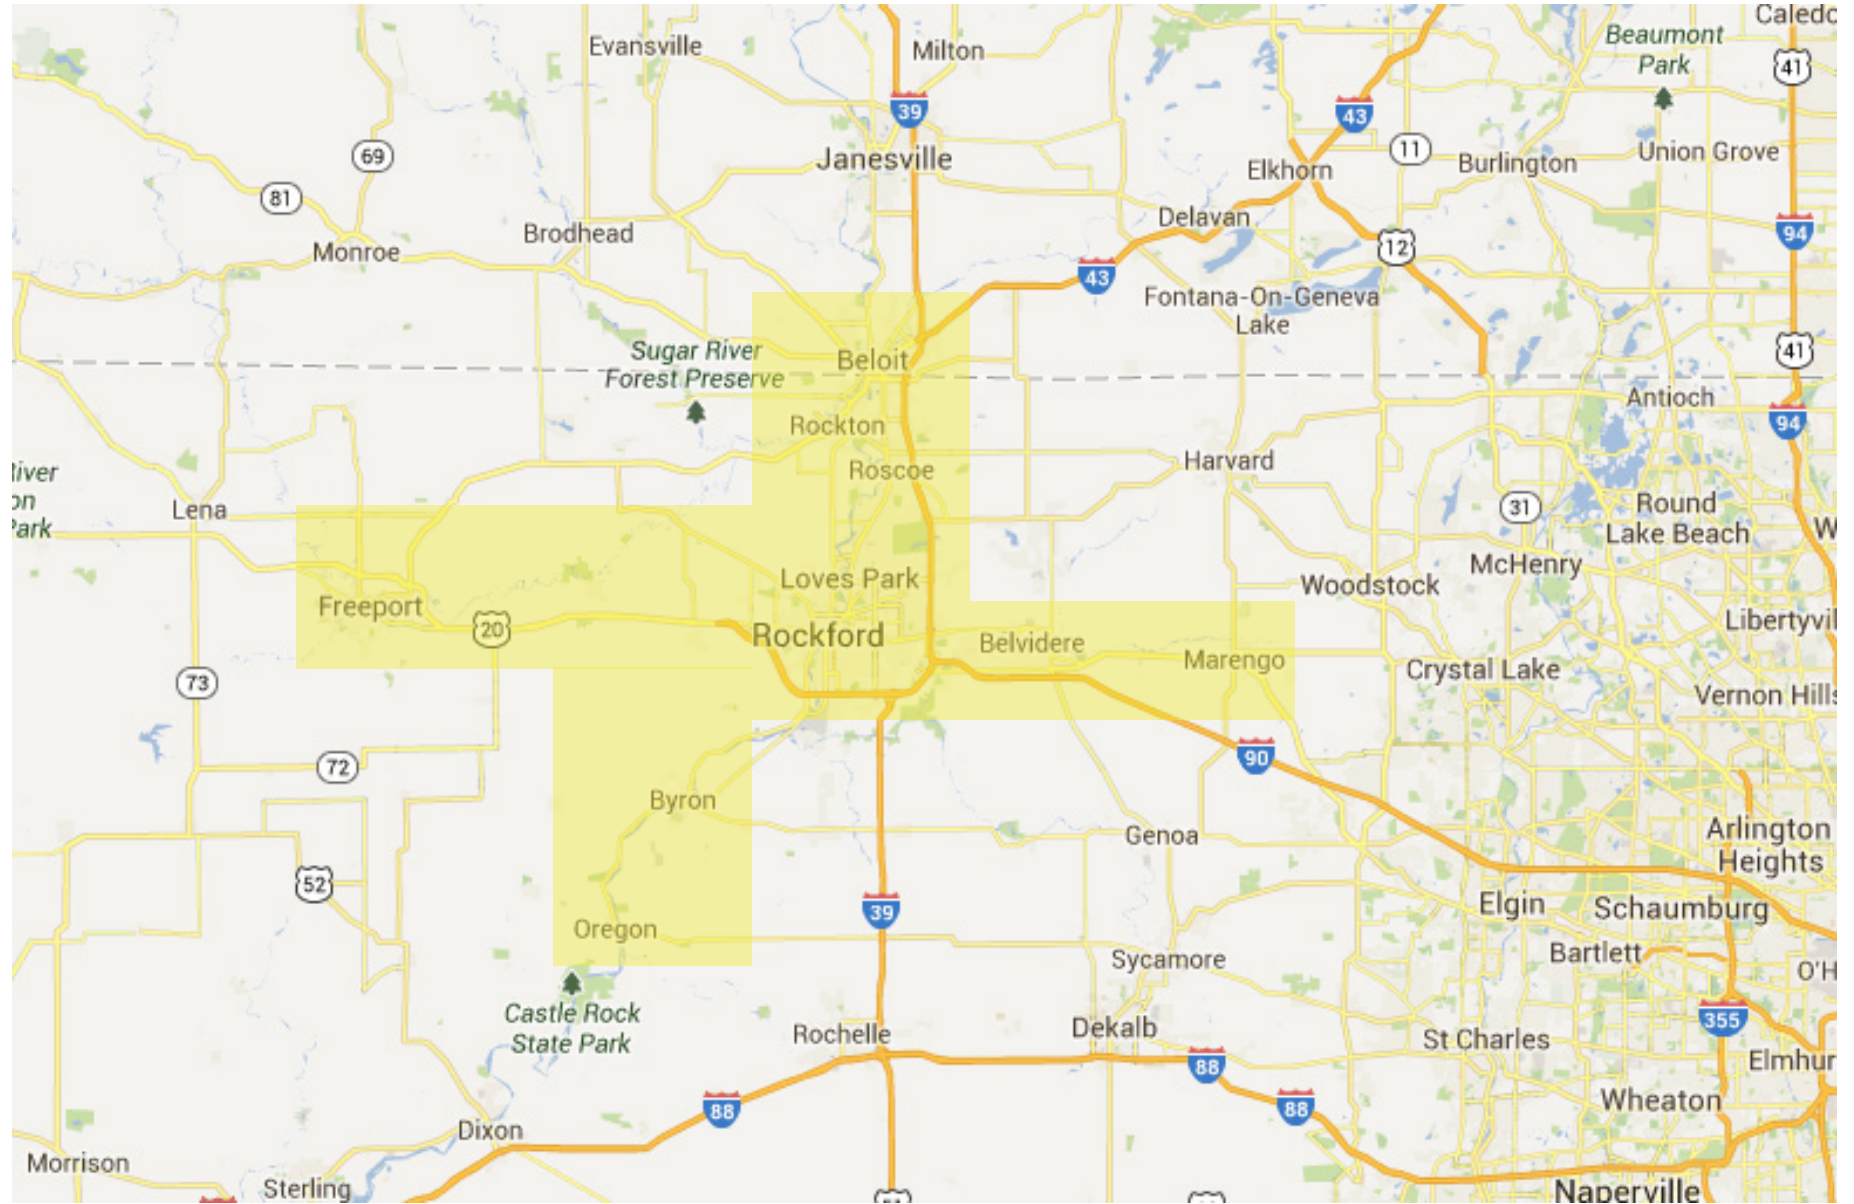

Community Bargain Hunter is a local classified publication in Rockford, IL. We began business in August of 2006 and have produced a weekly publication ever since. Community Bargain Hunter is a free publication distributed to over 1,100 locations. Community Bargain Hunter prints and distributes over 12,000 publications. Most publications will give you a readership instead of the amount they print. Readership circulation assumes that 3.3 consumers will read each publication. We do not believe in this philosophy because there is no way to tell how many people actually read each publication.

Community Bargain Hunter is a proud sponsor of Rockford CrimeStoppers, and we have donated an ad every week since 2010. We also donate ad space to the Rockford 4th of July committee to help them receive donations each year. Other sponsorships we have done include: The Wounded Warrior Project, Support The Troops Poker Run, and Breast Cancer Awareness.
