Midway Village celebrates 50th Anniversary

Open House set for June 16th

Midway Village Museum Center was founded by the Rockford, Harlem, and Swedish Historical Societies with a mission to collect, preserve and interpret the history of the Rockford area. The ribbon cutting was on June 16, 1974.

The Museum Center's History Gallery opened in 1974 with its first exhibits, and additions followed in 1976, 1986, 1988, and 2010. Today the Museum Center houses exhibit galleries, collection storage, classrooms, library, a gift store, and staff offices.

Throughout the 1970s and 1980s, Midway Village Museum undertook campaigns to create a living history village on the premises, and soon eight historical buildings were moved to the property and over one dozen replicas were built to create a turn-of-the-century town.

We will be hosting a 50th Anniversary Open House on June 16th to mark the exact date of the ribbon-cutting in 1974. Save the date!

Also, on August 15th (815 Day), we will have a fundraiser to help us continue to preserve our local history for another 50 years and more.

Stay tuned for more event details, and many thanks to the dedicated people who have made Midway Village Museum Rockford's History Museum!

Unleash Your Child's Summer Adventure

Discovery Center Museum Summer Camps

ROCKFORD, IL – Make this summer one your child won't forget! Discovery Center Museum is offering an array of summer camp options for children ages 3-11. The camps encourage all children to create, explore, imagine, play, and investigate the world around them.

Camps are divided into three groups: 1). Tot Spot Mini Camps for ages 3-5, 2) STEM Camps for ages 6-8, and 3) STEM Camps for ages 9-11.

Tot Spot Mini Camps – Tot Spot Mini Camps run Monday-Thursday from 9:00 – 11:00 am. These camps focus on hands-on exploration and interactive stories to engage children as they learn about science, language, engineering, art, mathematics, and social skills.

STEM Camps – ages 6-8 and 9-11–Discovery Center's Summer STEM Camps run Monday-Friday from 9:00 am - 3:00 pm. The camps are designed to spark curiosity and engage naturally scientific minds through hands-on explorations in nature, science, and art. Led by experienced professional educators, our camps offer a wide range of indoor and outdoor activities, games, and adventures to foster valuable skills such as problem-solving, creativity, and collaboration.

Benefits of Discovery Center's Summer STEM Camps:

NEW THIS YEAR! Camps are divided into age groups (6-8 and 9-11) to better serve children, improve the educational value, and provide richer experiences

- Low staff-to-camper ratio
- Professional staff of trained educators
- Four hours of focused, interactive science education daily
- Time playing on the museum floor and in the Outdoor Science Park
- Time creating in our Makerspace each week
- Show in our planetarium each week
- Streamlined registration process
- Variety of hands-on experiences
- Safe, secure camper pick-up procedure

"Our Summer STEM Camps provide children with the opportunity to explore, discover, and learn in a fun and engaging environment," said Lana Paris, Executive Director at Discovery Center Museum. "We are dedicated to inspiring the next generation of scientists, engineers, and innovators through hands-on experiences and interactive learning."
