Thank you, Everyone!

On behalf of the Style House family, we would like to thank the people of Belvidere and surrounding area for the support you have shown us as part of the Belvidere area for over 60 years – 11 years at Wayside, and 49 years at Style House.

We have made many friends along the way, have sold to many families, and cherish the times we had at our store. But, as times have changed for everyone, we have closed our doors and are going to enjoy a little more of what life has planned for us.

Our customers have always been what made us successful, and we appreciate each and every one of you. And a special thank you to our business associates who have stood by us and believed in our products and services.

Yours truly, *Gail*

Thank you, Everyone!

On behalf of the Style House family, we would like to thank the people of Belvidere and surrounding area for the support you have shown us as part of the Belvidere area for over 60 years – 11 years at Wayside, and 49 years at Style House.

We have made many friends along the way, have sold to many families, and cherish the times we had at our store. But, as times have changed for everyone, we have closed our doors and are going to enjoy a little more of what life has planned for us.

Our customers have always been what made us successful, and we appreciate each and every one of you. And a special thank you to our business associates who have stood by us and believed in our products and services.

Yours truly, *Gail*

FOID CARD REINSTATEMENT

In Illinois for a resident to own a gun, they must have a Firearms Owners Identification Card (F.O.I.D. Card). Application for this is done online through the Illinois State Police. However, individuals who have one or more criminal felony convictions or convictions for domestic violence offenses are ineligible to be issued a card. Also, person who hold a card can have their card revoked due to a felony or domestic violence conviction. When this happens, what do you do? Most people think they cannot do anything to get a FOID card or have a revoked card reinstated. But in Illinois, there is a little-known reinstatement process that can be done through the Courts or State Police to have your gun rights reinstate and to obtain a FOID card.

These laws also include correction of prior criminal records to make persons eligible to have a card and reinstate eligibility due to FOID card suspension. All of the above may be difficult to navigate on your own when reviewing the law or through the State Police's website. Legal advice by an experienced lawyer familiar with this area of law is essential to reinstate your FOID card and gun ownership rights. All is not lost. You should take action now to consult with an attorney.

This article is not intended to be legal advice and is for advertisement purposes only. You should contact a licensed attorney for more information.
