# FOID CARD REINSTATEMENT

In Illinois for a resident to own a gun, they must have a Firearms Owners Identification Card (F.O.I.D. Card). Application for this is done online through the Illinois State Police. However, individuals who have one or more criminal felony convictions or convictions for domestic violence offenses are ineligible to be issued a card. Also, person who hold a card can have their card revoked due to a felony or domestic violence conviction. When this happens, what do you do? Most people think they cannot do anything to get a FOID card or have a revoked card reinstated. But in Illinois, there is a little-known reinstatement process that can be done through the Courts or State Police to have your gun rights reinstate and to obtain a FOID card.

These laws also include correction of prior criminal records to make persons eligible to have a card and reinstate eligibility due to FOID card suspension. All of the above may be difficult to navigate on your own when reviewing the law or through the State Police's website. Legal advice by an experienced lawyer familiar with this area of law is essential to reinstate your FOID card and gun ownership rights. All is not lost. You should take action now to consult with an attorney.
